TERMS AND CONDITIONS:

This warranty applies only to Aurea Stone engineered quartz products.

Aurea Stone is exclusively suitable for interior residential applications.

Validity of the warranty:

25-year Residential Limited Warranty. Aurea Stone guarantees that our material will be free from manufacturing defects during the indicated period.

Thanks to its beyond-belief technology NEOS, Nano Enhancement of Surfaces, an innovative high-performance stain and substance repellent technology developed for Aurea Stone surfaces, we are the only brand to include a **Lifetime Stain Warranty**.

Aurea Stone guarantees that your countertop will resist staining and will be protected from a broad range of chemicals and acid corrosion (between pH1 and pH13).

To activate this policy, it is compulsory to register the product **here**, maximum 6 months after the purchase. The original receipt could be required anytime by Aurea Stone. In the case of acquisition of a new house, Aurea Stone honors the real estate purchase contract as the original receipt. You are responsible for entering the correct details in the registration form. Those are: contact details, where Aurea Stone is installed and product information. In case any information is not correct, your Aurea Stone product may not be properly covered.

This warranty is personal and not-transferrable to the natural person that registers his/her personal information according to the instructions given in the registration form.

In order to obtain assistance during the validity of the warranty, you must contact the commercial establishment where the product was purchased or alternatively, you may contact Aurea Stone directly.

In order to assess any product claim, the policyholder agrees to allow any professional authorized by Aurea Stone to enter wherever the product is installed to examine the product and take pictures of the material and installation.

The purchaser and/or the fabricator/installer are responsible to inspect each slab for color, pattern and defects. Material with visible manufacturing defects must not be used. Samples are small select cuts from a slab; they do not exhibit all the characteristics of a design and therefore are not fully representative of what will be installed.

The warranty covers only manufacturing defects found to adversely affect the installation of Aurea Stone in residential applications. Aurea Stone has the right to repair or replace any material it deems defective, at its sole discretion.

This warranty is only applicable to the product that has been used and maintained by following the care and maintenance recommendations, as prescribed herein by Aurea Stone. **Click here.**

This warranty is only applicable to Aurea Stone surfaces that have been permanently installed indoor and have not been moved from the original installation.

Aurea Stone is not a seamless product; seams are visible. Where there are seams, the product pattern and shade can change.
